

City of Laurel Ricoh Proposal – March 12, 2019

- 1. The Ricoh proposal is valid until March 31, 2019.**
- 2. The Ricoh proposal is a lease agreement for 48 months.**
- 3. A State of Mississippi Rental Agreement will be signed if Ricoh is awarded the business.**
- 4. The Ricoh proposal includes delivery, installation and training.**
- 5. The Ricoh proposal includes a power filter that protects Ricoh machines from power surges. If the power filter fails, the power filter company will replace the Ricoh machine free of charge.**
- 6. All Ricoh machines have data overwrite security.**
- 7. The Ricoh service contract is billed as a cost per copy contract.**
- 8. Codes can be placed on the Ricoh machines and print drivers to control color copy/print volume.**
- 9. References for Ricoh sales and service can be provided upon request.**
