## PERS Employer Training - Hybrid Retirement Plan

PERS, along with Empower, is hosting mandatory training for all covered employers on reporting requirements and processes for the Hybrid Retirement Plan - Tier 5, which will be implemented March 1, 2026. For the convenience of employers, these trainings will be offered in person and via Microsoft Teams. Any personnel responsible for administration of benefits and the reporting of wage information for covered employees should register for one of these sessions. Click link below to view the training registration page on the PERS website.
