Mayor Johnny Magee

RE: Prosecutor Pro Tem, City of Laurel

Mayor Magee

I appreciate your consideration for the position of Prosecutor Pro Tem for the City of Laurel. Laurel is home for me, and I look forward to the position if appointed.

I graduated from Northeast Jones High School in 2017. From there, I attended Jones County Junior College on a full academic scholarship. Upon hitting the maximum allowed hours for transfer credit, I enrolled at the University of Mississippi in 2019, once again on full academic scholarship. I completed four semester worth of undergraduate credit in one year, while maintaining a 3.9 GPA. I attended the University of Mississippi School of Law from 2020-2023. After law school, I turned down multiple job offers from law firms across the South to return to my home town.

Currently, I am working as a Title Attorney for Pine Belt Land Title. With that position, I handle closings and title work in across Jones County. I also have my own practice, *Adams Law Firm, PLLC*, where I handle a multitude of legal issues for the public. I also serve as the City Attorney for the City of Ellisville.

As I stated above, Laurel is home to me. I work here, I live here, and I am excited about the potential opportunity to serve as Prosecutor Pro Tem.

I appreciate the consideration, and I look forward to hearing from you.

Sincerely,

---

Eli Adams
