Re: Pendorff Road and Avenue A/Howard Industries, Inc.

Dear Mayor Magee:

It is the understanding of the Laurel Airport Board of Directors that Howard Industries, Inc., ("Howard") is requesting that the City of Laurel abandon and vacate Pendorff Road and Avenue A that is located around Howard. The Laurel Airport Authority is an adjoining landowner. The Laurel Airport Authority has no direct access to Pendorff Road. However, the requested action by Howard will limit access to the property owned by the Laurel Airport Authority on Avenue A. Howard has agreed to grant the Airport access to the property through agreement should the City honor their request for closure. Therefore, the Laurel Airport Authority has no objection to Howard's request to the City to abandon and vacate Pendorff Road and Avenue A, and the Laurel Airport Authority furthermore consents to Howard's request to the City to abandon and vacate Pendorff Road and Avenue A.

Sincerely,

A handwritten signature in cursive script that reads "Susan Vincent".

Susan Vincent, Chairman
Laurel Airport Authority
Board of Directors
