Item with the lowest and best bid is listed
as (1). 2nd Alternate and 3rd Alternate is
listed as (2) and (3).

Bush Dunn Walters
Construction Roadbuilders Construction

** For items A-I - Where applicable the unit prices listed in this bid which involve the use or consumption of petroleum products (including but not limited to asphalt, asphalt cement and diesel fuel) should be based upon an industry-wide cost index of petroleum prices published monthly by the Mississippi Department of Transportation in effect at the time of the bid. The actual monthly price for the products listed on this bid shall be based upon the MDOT petroleum price index published each month. The cost adjustment factors and methodology for determining the dollar amount of increase in any month between the Contractor's petroleum base price and the monthly MDOT petroleum price index shall be the same as set forth in MDOT's Mississippi Standard specifications for Road and Bridge Construction.

If any of these items involve the services of your establishment and your establishment is awarded any of these bid items, the City will require you to sign our workorder requiring a Performance Bond and Payment Bond.
