SCOPE OF WORK

Asphalt Overlay, 1.5" SC-1, Front Street from the South gate of Laurel Machine and Foundry to the intersection of 7th Street. Approximate length is 500 LF. Approximate width is 20 LF. There is an existing abandoned railroad crossing that will be covered with asphalt. Any existing bolts that may be a safety hazard to the traveling public should be removed prior to paving. However, the cross ties and rails are to remain in place.

Anticipated completion date is no later than May 15, 2019.
